David:

Enclosed is an announcement for the Community Calendar for next week's issue of the NEWS. I have mailed copies of this "Press Information" to Rinaldi at the TRIBUNE and to Palko at the TIMES.

I'm sure that the meeting in Carlisle on May 1 will be most interesting and informative. For two reasons, however, I will not attend:

1. I want to be available in Carbondale on that day to show around City Hall any roofing contractors, masons, and power wash contractors who can examine the building on that day and make a bid.

2. It is important that I participate in the work session that will take place in City Hall on that day.

See you on the 29th.

Robert.
